SUBJECT: THANK YOU

1. I would like to thank you all for the wonderful opportunities your organization offers our veterans. It was my pleasure to participate in the Walleye fishing tournament held in Bismarck on Saturday the 30th of May.
2. The tournament was well organized and conducted very professionally. The food was great and the prizes very fitting and appropriate for the event. Everyone involved was truly professional and went out of their way to ensure everyone had a great time and all the veterans felt welcome and included.
3. David Morse did an excellent job of organizing and conducting the event. He is truly a dedicated professional who has an honest and complete interest in taking care of our veterans. We truly need to ensure that more persons of this caliber are selected and placed into positions like David's. Great job.
4. I would also like to personally thank Misty Waters Marina for sponsoring the boat that CSM(ret) Jeff Berg and I were in. Their outreach of genericity is truly an inspiration for all the veterans. Sponsors like Misty Waters Marina are what make many of these events available to veterans, without them these events would clearly not be the caliber or quality events that they are. I would also like to thank Tony our boat operator, who did a great job. Thanks to his great leadership we were able to finish 4th.
5. I look forward to participating in more events such as this and thank everyone for their hospitality and genuine concern. I had a great time, and would clearly recommend this event and others like it to all the veterans!
6. GREAT JOB!!!

Sincerely,

Henry Gerving
CSM(ret) USA
US Army

P.S. Tony and Dave are inspirations to us all, thanks
